Winner—B. or br. f, by Ben Brush—Maid of Dorset (trained by S. W. Streett).

Went to post at 2:01. At post 6 minutes. Start good. Won handily; second driving. Birch Broom had a rail position and was well in motion when the start came, showed much early speed and raced Versifier and Breaker to exhaustion in the first half, but was under a drive in the last fifty yards to stall off a challenge from War Cry. The latter began slowly but closed a big gap and finished very fast. Noweta made up a lot of ground in the last furlong. Breaker and Versifier showed early speed but tired and quit in the stretch.

Birch Broom, show, 3 to 5. War Cry, show, 7 to 5. Noweta, show, 7 to 5.

37508 SECOND RACE—3 1-2 Furlongs. Purse $400. 2-year-olds. Selling.

Winner—Ch. g. by Loyalist—Shadow (trained by J. Gardner).

Went to post at 2:31. At post 8 minutes. Start fair. Won driving; second the same. Happy Hooligan displayed a fine order of speed and made a runaway race of it. He was well in motion but was driving to the limit at the end to stall off Miss Nancy. The latter was in close quarters next to the inside rail in the last furlong and the winner pinched her off at the sixteenth post. McGonigle tired in the last hundred yards. The others are seemingly not of much account.

Overweights—J. Reiff, 2 pounds; Billy Jackson, 1½.

Winner—Ch. g. by Raeburn—Prospective (trained by E. Corrigan).

Went to post at 3:04. At post 6 minutes. Start poor. Won easily; second the same. Stratton was well ridden. Winkfield kept him well in hand for the first half and reserved him for a final effort, moved up and took command in the stretch run and was going away at the finish. Boomerack had every advantage, got off running and showed the most early speed but tired when strongly challenged. Vesuvia cut the corners at the turn into the homestretch and saved a lot of ground but tired at the end. Pearl Finder was a contender until well around the far turn, then quit suddenly. Monos was cut off and knocked out of it at the start. Optimo ran fairly well.

Scratched—34955 John Grigsby, 110; 36250 Grandon, 109.

Stratton, show, out. Boomerack, show, 8 to 5. Vesuvia, show, 2½ to 1.

Winner—B. g, by Chorister—Zodiac (trained by E. Trotter).

Went to post at 3:37. At post 4 minutes. Start good. Won handily; second the same. Scorpio was well ridden. Odom got him away in his stride and he set his field a fast clip throughout, but had to be hustled along at the end to stall off Bummer. Bummer about ran his race, Treanor lost his whip at the furlong post. L'Etrenne failed to show her usual burst of early speed, but the going was unfavorable to her. On a fast track she can beat this field. Albula tired.

Scratched—37459^2Brush By, 93.

Went to post at 4:10. At post 4 minutes. Start good. Won easily; second driving. Benson Caldwell was under restraint for the first half. moved up while rounding the far turn and caught Willard J. tiring, came away easily in the stretch run and was only cantering at the end. Chickadee came again in the stretch and outgamed Willard J. when it came to a hard drive. The latter ran the best race he has shown at the meeting, and displayed much early speed but could not last the trip. Throw out McWilliams' race. He was under restraint while going down the backstretch and came very wide at the home turn.

Scratched—(37474)Thane, 103; (37441)Albert Lee, 101; 37441^2Limelight, 101.

Dewey was crowded back at the first turn but wore his field down and finished going fast. Melbourne Eclipse is a slow beginner but came very fast when he got in his stride. Fair Lass and Cork showed early speed but tired. Great American quit as if short and the race should improve him. Right and True can do better.

Went to post at 2:06. At post 2 minutes. Start straggling. Won handily; second easily. James F. secured a lucky start and waited on the pacemaker to the stretch where he quickly ran away from him. Figardon was crowded back at the start and went the longest way but finished like a flash under bad handling and may have been best. Bee Rosewater went well throughout. Tortulla closed up well at the end. Creedmoor displayed superior speed early but failed to stay. Gyros fell back after going a good half and ran like a quitter.

Nellie Forest waited on the pacemakers to the stretch where she forged to the front next to the rail easily, but was mildly driven to beat Elfonse at the end. The latter was collided with at the start and nearly left, but closed a tremendous gap and must have been much the best today. Oriania worked a rough journey and was going fast at the finish and has worked fast trials. Pat Morrissey is in improved form. Quadra tired in the stretch

Galanthus received an incompetent ride and came through at the end like a flash after being pocketed for the greater part of the journey. Urchin tired badly in the last quarter. Matin Bell failed to stay after going a fast seven furlongs. Donami showed speed and quit in the last quarter.

Duke of York went into the lead early and forced the pace throughout under a skillful, vigorous ride and scored a lucky victory. Mike Rice, under a pull, waited on Duke of York to the stretch where he appeared like the winner but lost his advantage by dwelling at the stretch hurdle. Corrillo ran in surprisingly improved form and seemed dangerous when a quarter out but tired in the run home. Dagmar ran a bad race. The others are very bad fencers.

Went to post at 3:59. At post 2 minutes. Start bad. Won easily; second driving. Princess Titania secured a lucky start and being restrained under a choking pull she indulged Sad Sam with the lead to the stretch turn where she flashed to the front without urging and easily retained her advantage to the finish. Byron Rose finished very fast throughout the last quarter. Stuyve ran an unexpected good race on a dry track. Honiton ran as if short and can do better. New Orleans, February 2, 1903.

BY RILEY GRANNAN.

(SPECIAL DISPATCH.)

To the American Racing Public:

The Riley Grannan Company has been incorporated under the laws of the State of Louisiana, with a paid up capital of $100,000, for the purpose of transacting a general turf information and commission business. I have been elected President and will direct the operations of the company in the interest of hundreds of friends who have already signified a desire to become patrons, and in the interest of the general racing public, whom I shall be glad to enroll individually on the books of the company as regular subscribers to the service, full particulars of which are set forth below.

I hope I need hardly refer to my long career as a bettor, bookmaker, handicapper and general form expert, or to my inside connections with prominent owners and trainers to secure patronage. Every angle of the game is an open book to me, and I have pledged myself to the gentlemen who are backing me with practically unlimited capital to give to patrons of the company the fruits of my experience. I have already organized a large staff of clockers to watch the preparations of the horses on the ground in the early morning hours, and may add that my force is the best organization of its kind which money and a knowledge of experts can bring together. I have, also, heard from at least two hundred owners and trainers within the past forty-eight hours who express willingness to put their best information within my reach. The handicapping I shall do myself.

I am quite satisfied that the results which the company will be able to accomplish through this system of selecting winners will bring brilliant results. In all my racing career I have never had a losing week when I had for a basis such an organiztion. My personal winnings on such information have been as high as $200,000 in a single week. My losses on the turf at different periods may be attributed to a stubbornness which at times I evinced in sticking to handicapping entirely.

The racing experience I have had is probably unique in turf history, and I trust it is not immodist for me to say it is a valuable asset to a turf advisory bureau.

That experience is now your property if you join us.

Every morning I shall with the assistance referred to above, select what I consider the best and surest bets of the day, and on these the Riley Grannan Company will play the money of its clients. On some days it may be impossible to arrive at a decision that there is a single good bet on the card.

At others there may be four or five. The company will not therefore bind itself to make any stipulated number of bets. Such bets will be made that seem judicious, and no others. The Riley Grannan Company will conduct business on the following basis:

Terms for information, $5 per day and no charge unless we send you a starter. The smallest sum we will undertake to place for any client is $10 on each selection. The smallest account we will accept is $100. From every account we will deduct $5 daily in advance for the information. At the end of each week a check will be mailed for any profits that accrue, less five per cent. of the net winnings which will cover our expenses in placing your money. Whether the account wins or losses, a statement will be mailed at the end of each week.

There is no limit to the amount which may be sent us for play.

A remittance of $100 will insure a $10 play on each selection. A remittance of $200 will insure a $20 play on each selection. A remittance of $300 will insure a $30 play on each selection. A remittance of $400 will insure a $40 play on each selection. A remittance of $500 will insure a $50 play on each selection, and so on. The reason a sum so much in excess of a single bet is required is that the company will at times bet your money on losers as well as winners. The best horse does not win every race and we may have an occasional bad streak. By having a sufficient amount of capital with the company, you will in all probability be protected against such a contingency. I have never personally made over seven straight losing bets in my life. Experiences differ in this respect, but it would be the height of folly for anybody to send in an account to be played for him without protecting it against a few successive losers.

I entertain the very greatest confidence in the ability of the company to make you a handsome winner. I have gathered about me the very best force of experts obtainable and have backing to the extent that must enable me to succeed. I give you the strongest assurance that any accounts you intrust to the Riley Grannan Company will be played on the best selections that money and brains can secure, and that you will get the squarest run for your money that has ever been given to anybody in racing. This being my original venture in this department of the game, you will readily understand what success or failure means to me. I have a reputation to sustain and if I did not think I could sustain it and improve upon it, I would not now be addressing you.

Here are a few additional particulars that have bearing on the plans of the Riley Grannan Company.

The charge for placing your money will be five per cent. of the net weekly profits. Selections will be mailed to subscribers for whom we place money before the races are run.

Racing enthusiasts who are in a position to operate their own money can have the information wired to them every day at noon for $10 per day. The rate is made higher for those who play their own money for the reason that it is necessary to keep the information as exclusive as possible, and to prevent piracy. All telegrams sent at cost of subscribers.

Make all remittances payable to the Riley Grannon Company. Remit money by express, money order, post office money order or certified check if possible. Register your mail when you send cash.

Address, The Riley Grannan Company, 619 Common Street, New Orleans, La.

All orders will be booked and acknowledgements sent in the order of their reception.

Operations will be commenced on February 16 at New Orleans and continue for thirty racing days here, until March 31. After New Orleans operations will be conducted at Memphis, beginning March 28.

All accounts will be operated continuously until ordered withdrawn. Intending subscribers should forward money as early as possible to be in on opening day—February 16.
